About This Game

Fant Kids Animated Puzzle

Join Fant kids Eddie and Ellie to solve the puzzles that are animated, and see the images...

Game play is as follows:

On the start scene you can choose from variety of jigsaw puzzles.

By selecting one you get a puzzle scene, where pieces will have random rotation and position.

Game is played by dragging a piece with left button, and rotating with right button.

Easier game mode has rotation disabled.

The scene image is projected as moving picture in the pieces.

When the puzzle is solved you see the scene in full, where the Fant or two pose too.

Screenshots are from solving puzzle, and the pose scene after solving.

All puzzles are 20 pieces.

The scenes include:

Snowman with snow raining down

Aeroplane with color variants randomly chosen

Two wing aeroplane with color variants randomly chosen
Mouse toy
Robot in space with 6 random backgrounds
Car scene
Colorful block castles 3 versions

All content is subject to change or to be added, target is not to remove anything,
but music, visuals, or amount of puzzles may change while developing the next version.
